Application must be made and the required premium paid for coverage to continue after the 90 day period.

DEFERRED EFFECTIVE DATE

Cancellation

The Company or the Policyholder may cancel this Policy, after the first year or Policy Term, or as of any premium due date, by giving the other party 31 days advance written or authorized electronic notice. Any premium rate guarantee will not affect the Company's or the Policyholder's right to cancel this Policy. Such cancellation terminates all coverage under this Certificate.

If a premium is not paid when due, the Company will cancel this Policy at the end of the last period for which premium was paid, subject to the Grace Period provision. Premium Due Dates are shown in the *Schedule of Benefits*.

Cancellation does not affect a claim when the loss for which the claim is payable occurs before the cancellation date.

All Certificates under this Policy will terminate on the same date as the Policy.

Premiums

Premium rates are expressed in, and premiums are payable in, United States currency. The premiums for coverage under this Certificate will be based on the rates set forth in the *Schedule of Benefits*, the plan and amounts of insurance in effect for Insured Persons and the premium mode selected, as shown in the *Schedule of Benefits*. The Company will provide notifications of premiums due or premium changes, by mail to the most current address in our files, to the Policyholder.

Premium Payment

The total premium paid by the Policyholder is the sum of premiums for all Insured Persons including any amounts contributed toward the cost of the coverage by Insured Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding premium due date, as shown in the *Schedule of Benefits*, unless the Policyholder and the Company agree to another mode of premium payment. Premiums are paid at the Company's Home Office or to the Company's authorized agent.

If any premium is not paid when due, this Policy will be cancelled as of the premium due date of the unpaid premium, except as provided in any applicable Grace Period section.

Grace Period

A Grace Period of 31 days will be provided for the payment of any premium due after the first. During the Grace Period, coverage under this Certificate shall continue in force, unless the Insured Person has given written notice of discontinuance in advance of the premium due date and in accordance with the terms of the Policy. If the required premium is not paid during the Grace Period, coverage will terminate on the last day of the Grace Period. The Insured Person will be liable for the payment of a pro rata premium for the time the Policy was in force during the Grace Period.

Premium Rate Changes

The Company may change premium rates at the end of any Policy Term or any premium rate guarantee Period with at least 31 days advance notice mailed to the last known address of the Policyholder. The Company will not increase premium rates more frequently than annually, unless one of the events described below occurs.

The Company may change the premium rate during a Policy Term or during any applicable premium rate guarantee period if any one of the following occurs:

5. an acquisition, merger, consolidation, divestiture, corporate reorganization or purchase or sale of assets affecting, increasing or decreasing by 10% or more the number of eligible Insured Persons.

Any increase or decrease in rate will take effect on the date of the applicable change specified above. A pro rata adjustment will apply from the date of the change to the end of any period for which premium has been paid.

Premium Audit

The Company will have the right to audit books and records of the Policyholder at its place of business and during its regularly-scheduled business hours, in order to determine the accuracy of premiums paid.

No written statement made by an Insured Person will be used in any contest unless a copy of the statement is furnished to the Insured Person, or in the event of death or incapacity of the Insured Person, to His beneficiary or personal representative.

No change in the Policy will be valid until approved by one of the Company's executive officers and endorsed on or attached to the Policy. No agent has authority to change the Policy or to waive any of its provisions.

If an enrollment form for an Insured Person is required, it may also be made a part of the Policy at the Company's option.

Certificates

Where required by law, the Company will provide a Certificate of insurance for delivery to the Insured Person. Each Certificate will set forth a statement as to the insurance coverage to which the Insured Person is entitled, to whom the insurance benefits are payable, and a statement as to any family member, Spouse or Dependent's coverage. If family members or Dependents are included in the coverage, the insurer need only issue one Certificate to each family unit.

Incontestability

After an Insured Person has been insured under the Policy for two years during His lifetime, no statement made by the Insured Person, except a fraudulent one, will be used to contest a claim under the Policy. The Company may only contest coverage if the misstatement is made in a written instrument signed by the Insured Person and a copy is given to the Policyholder, the Insured Person or the beneficiary.

30 Day Right to Examine Certificate

For coverage that requires a contribution from the Insured Person, if the Primary Insured Person does not like the Certificate for any reason, it may be returned to the Company within 30 days after receipt. The Company will return any premium that has been paid. In that case the Certificate will be void as if it had never been issued.

Clerical Error

Clerical error, whether by the Policyholder or the Company, will not void the insurance of any Insured Person if that insurance would otherwise have been in effect nor extend the insurance of any Insured Person if that insurance would otherwise have ended or been reduced as provided in the Policy.

Conformity with State Statutes

Any provision of the Policy which, on its effective date, is in conflict with the statutes of the state in which the Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Misstatement of Fact

If the Policyholder or Insured Person has misstated any fact, all amounts payable under the Policy will be such as the premium paid would have purchased, had such fact been correctly stated.

Noncompliance with Policy Requirements

Any express waiver by the Company of any requirements of the Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Policy Changes

No change in the Policy will be valid until approved by one of the Company's executive officers and endorsed on or attached to the Policy. The Company may agree with the Policyholder to modify a plan of benefits without the Insured Person's consent.

Workers' Compensation

The Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.

Legal Actions

No action at law or in equity may be brought to recover on the Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Assignment

An Insured Person may assign all of His rights, privileges and benefits under the Policy without the consent of His designated beneficiary. The Company is not bound by an assignment until the Company receives and files a signed copy. The Company is not responsible for the validity of assignments. The assignee only takes such rights as the assignor possessed and such rights are subject to state and federal laws and the terms of the Policy.

Physical Examination and Autopsy

The Company, at its own expense, has the right and opportunity to examine the person of any individual whose loss is the basis of claim under the Policy when and as often as it may reasonably require during the pendency of the claim, and to make an autopsy in case of death where it is not forbidden by law.

CLAIMS PROVISIONS

Notice of Claim

Written notice of claim must be given to the Company within 20 days after an Insured Person's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company, with information sufficient to identify the Insured Person, is deemed notice to the Company.

Claim Forms

The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in the Policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured Person's name, the Policyholder's name and the Policy number.

Proof of Loss

Written proof of loss must be furnished to the Company within 90 days after the date of the loss. In the case of a claim for loss of time for disability, written proof of such loss must be furnished within 30 days after the commencement of the period for which the Company is liable. If the loss is one for which the Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than 1 year from the time proof is otherwise required.

Payment of Claims

Upon receipt of due written proof of loss, payments for all losses, will be made to (or on behalf of, if applicable) the Insured Person suffering the loss. If an Insured Person dies before all payments due have been made, the amount still payable will be paid to the first surviving class of the following classes of persons:

1. Spouse;
2. child or children;
3. parents;
4. siblings; or
5. estate of the Insured Person.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to a parent, guardian, or other person actually supporting Him. If the payee has no legal guardian for His property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Time of Payment of Claims

Benefits payable under the Policy for any loss, other than loss for which the Policy provides any periodic payment, will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which the Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

Economic Sanctions Provision

This insurance does not apply to the extent that trade or economic sanctions or regulations prohibit the Company from providing insurance, including, but not limited to, the payment of claims.

NOTICE OF PROTECTION PROVIDED BY

IOWA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Iowa Life and Health Insurance Guaranty Association Act (the "Association") and the protection it provides for policyholders. This safety net was created under Iowa law, located at Iowa Code Chapter 508C, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, health insurance company or health maintenance organization becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Iowa law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

Life Insurance:

- \$300,000 in death benefits
- \$100,000 in net cash surrender and withdrawal values

Health Insurance:

- \$500,000 for health benefit plans (see definition below)
- \$300,000 in disability income protection insurance benefits
- \$300,000 in long-term care insurance benefits
- \$100,000 in other types of health insurance benefits, including net cash surrender and withdrawal values

Annuities:

- \$250,000 in the present value of annuity benefits, including net cash surrender and withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$350,000. Special rules may apply with regard to health benefit plans.

"Health benefit plan" is defined in the applicable Iowa law and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance.

Note: Certain policies and contracts may not be covered or fully covered. If coverage is available, it will be subject to substantial limitations and exclusions. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements under Iowa law.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which the long-term rider relates.

AXIS Insurance Company values its relationship with you. Protecting the privacy of the information we have about you is of great importance to us. We want you to understand how we protect the confidentiality of information as well as how and why we use and disclose it. We are required by law to maintain the privacy of protected health information and to provide you with notice of our legal duties and privacy practices with respect to this information. HOW WE MAY USE AND DISCLOSE YOUR PROTECTED HEALTH INFORMATION

We use and disclose your Protected Health Information (PHI) for the purposes of your treatment, for payment and for health care operations. Not every use or disclosure in a category is listed. However all of the ways that we may use or disclose PHI will fall within one of these categories.

Your Authorization: Except as outlined below, we will not use or disclose your PHI for any purpose unless you have signed a form authorizing use or disclosure. You may take away this authorization at any time, in writing. We will then stop using your PHI for that purpose. But, if we have already used or shared your PHI based on your authorization, we cannot undo any actions we took before you told us to stop.

For Payment: We use and disclose PHI as necessary for payment purposes. For example, we may use your PHI to process a claim or may give information to a doctor's office to confirm your benefits.

For Health Care Operations: We use and disclose PHI for our health care operations such as customer service, premium rating, fraud and abuse prevention and detection, and other functions related to your health policy. For example, we may use PHI to review the quality of care and services you get. We may also use PHI to provide you with case management or care coordination services.

For Treatment Activities: We do not provide treatment. This is the role of a health care provider such as your doctor or a hospital. But, we may share PHI with your health care provider so that the provider may treat you.

To Others: You may authorize us in writing to give your PHI to someone else for any reason. Also, if you are present, and provide authorization, we may give your PHI to a family member, friend or other person. We would do this if it has to do with your current treatment or payment for your treatment. If you are unavailable, incapacitated, or facing an emergency medical situation, we may share limited PHI with a family member, friend or other person if sharing your PHI is in your best interest.

HIPAA PRIVACY NOTICE

As Allowed or Required by Law: We may also use or disclose your PHI, as allowed by federal law, for many types of activities. PHI can be shared for health oversight activities. It can also be shared for judicial or administrative proceedings, with public health authorities, for law enforcement reasons, and to coroners, funeral directors or medical examiners (about decedents). PHI can also be shared for certain reasons with organ donation groups, for research, and to avoid a serious threat to health or safety. It can be shared for special government functions, for workers' compensation, to respond to requests from the U.S. Department of Health and Human Services and to alert proper authorities if we reasonably believe that you may be a victim of abuse, neglect, domestic violence or other crimes. PHI can also be shared for any purpose as required by law.

We may share PHI with the sponsor of the plan or use in the administration of the plan. Plan sponsors that receive PHI are required by law to have controls in place to keep it from being used for reasons that are not proper.

YOUR HIPAA PRIVACY RIGHTS

Access to Your PHI

You have the right to obtain a copy and inspect specific items of your PHI, such as your policy or claim information, for as long as we maintain it. We may deny your request to access certain PHI, as permitted or required by law. We may require your request for access in writing. Amendments to Your PHI

You have the right to request that the PHI we maintain about you be amended or corrected if you believe it is incorrect. We are not legally obligated to make all requested amendments but will give each request appropriate consideration. Requests for amendment must be in writing and must state the reasons for the amendment request.

We are not legally required to agree to your restriction request but will give each request appropriate consideration.
